General Information

| |
|---|
| Distances may vary when measured with different equipment |
| Support vehicles for U/10 Boys and Girls and Mens and Ladies teams only, strictly no other start groups. All the general support car rules |
| Support vehicles are not allowed to pace their riders back to the team under any circumstances and no riders may ride in a car's slip. Any rider caught behind a car will result in the team's disqualification. Only 1 support vehicle per team. |
| Support cars are to remain at least 20m behind the bunch. Have your hazards on at all times. |
| Support car drivers need to be aware of their surroundings and all cyclists at all time. |
| If a cyclist and/or a support car need to stop for any reason, please ensure that you move completely off the road. |
| As a safety precaution, support vehicles are not allowed to drive next to a bunch to communicate with a cyclist. |
| Availability of support vehicles are the teams own responsibility and not that of the WPP Committee. |
| Cyclists must feed at the back of the bunch only. Feeding on the side of the bunch is prohibited. No feeding on First 15km and Last 15km allowed. |
| Only the first 5 to finish in the School Teams category will count towards the team standings on the day. |
| Cyclist may not slip from another start group, only in their own start group. (THIS APPLIES TO TEAMS AS WELL) |
| Earphones are not permitted during a race. Failure to adhere to this will result in DQ. |
| Traffic rules are to be obeyed at all times. |
| Important: Please keep a distance of at least 10 metres from the timing device after finishing. |
| Result queries will be accepted until Monday 18:00 where after no more changes nor corrections will be done. |

We look forward to hosting you at the next 2024 Road Cycling Event!

Yours in cycling,

WPP Committee Members
